Supervisor Alexander Announces Ribbon Cutting Ceremony Welcoming New School to Northwest Milwaukee

Milwaukee County Supervisor Deanna Alexander will attend a ribbon cutting ceremony for HOPE Christian Schools' newest campus in Milwaukee, HOPE Caritas, at 4 p.m. on Friday June 13.

HOPE schools are nationally recognized college preparatory schools. Their graduating seniors have had a 100% college acceptance rate for three years in a row. HOPE Caritas expects to offer tuition-free education options to K5 through 4th grade Milwaukee students beginning with the upcoming 2014-2015 school year.

"As a mother with children attending *both* MPS and Milwaukee Parental Choice Program schools, I understand how important it is to know all of the options available for our children's unique needs," said Supervisor Alexander. "I hope to welcome HOPE Caritas to this new campus as they work to provide more great educational programs for Milwaukee families."

The public is invited to attend a ribbon cutting ceremony and tour the school with Supervisor Alexander on June 13th.
